

AQUASCAPE

Compete against your friends and family to create the most beautiful aquarium. But will you be able to add the right combination of fish while managing your money? Make your choices wisely, and build the aquarium of your dreams!

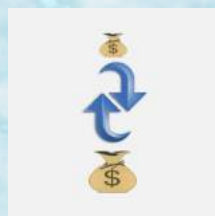

Components

1 Fish Store Board

112 Fish Cards

4 Coupon and Swap Cards

- 1 1st Player Fish Token
- 108 Coins
- 1 Score Pad

Setting Up the Game

Place the Fish Store in the center of the table. Shuffle the Fish Cards and place 8 cards in the spaces from \$2 through \$8. For a three person game, only place 6 cards in the spaces from \$3 through \$7. Place the remaining Fish Cards in a deck next to the Fish Store. Leave enough room to create a Discard Pile. Put the money coins in the center of the table next to the Fish Store.
