Acquire, Trade, and Mix different colored dice in order to create your very own works of art. The player with the most revered Exhibit at the end of the game wins!

Light • Fast Paced • Dice Economy

Game Play

A player's turns consists of taking one of the following actions:

Acquire New Paint

Mix Paint

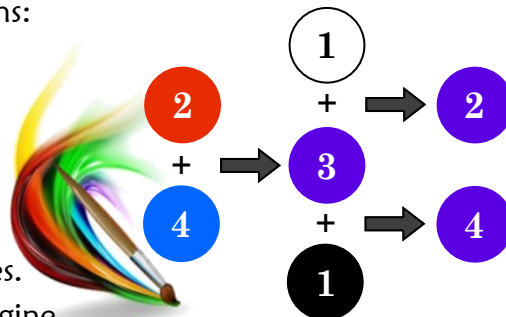

Go to the Market

Paint a Masterpiece

Players earn coins by going to the market or painting pictures. Coins can be used to purchase upgrades that bolster your engine or buy the specific paint you need.

The first player to paint 4 masterpieces ends the game!

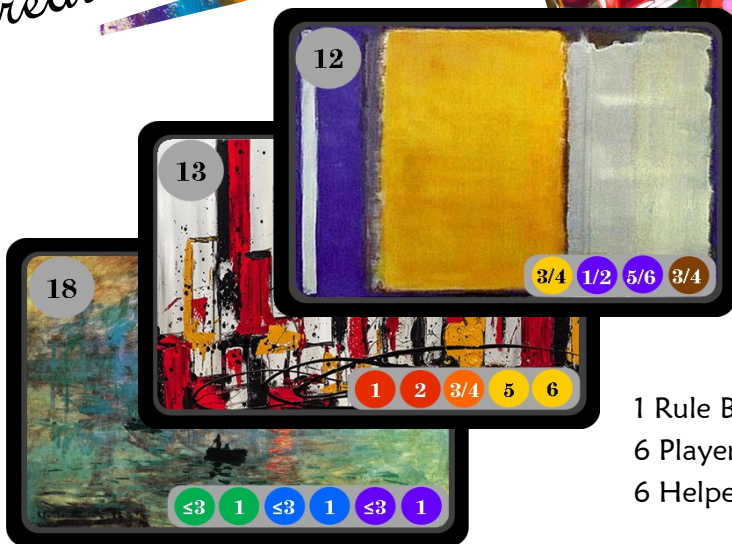

Mixing Paint
